FIG. 1B

FIG. 2A

FIG. 2B

FIG. 2C

FIG. 3

FIG. 4 is a perspective view of the device of FIG. 1, showing the internal structure of the device, including the central chamber and the surrounding structure.

FIG. 4

FIG. 5 is a cross-sectional view of the device taken along the line 5-5 of FIG. 1, showing the internal components and the electrical connections. The device includes a main body 32, two internal chambers 34, and a base 38. The chambers 34 are connected to a common base 38, which is further connected to a power source 46. The power source 46 is shown as a battery pack with multiple cells. The device is designed to provide a controlled environment for the chambers 34, possibly for medical or scientific purposes.
